FRANZISKA FACELLA

hotter than ever

Hey, it's Lindsey. One of my fave girls ever is back: Franziska from November 2008 and Anniversary 2010. And this time I'm *not* letting an intern interview her. She's all mine!

Hey, Franziska! So much has happened since your first appearance. For one thing, you got your braces off.
I know, thank God! Finally I can suck cock without fear of causing injury. LOL!
Do you like sucking cock?
It's awesome!
Do you spit or swallow?
Swallow, of course. I'm not a sissy.

Another thing that's changed is, now you're doing porn.
Yes, I love making movies. But I only do girl/girl and solo.
Do you think you'll do boy/girl ever?
Probably not. I prefer to keep my penis-related activities private.
Are you actually bi in real life?
Yes, girls are hot! I love their soft skin and curves. It's weird, 'cause I like really manly men, but I like the girls I'm with to be super girly.
So, do you act like the guy when you're with a girl?
I do! I love to fuck girls, even though it's not with a *real* penis.
Is that your favorite lezzie activity?
No, my favorite is licking pussy. It's more satisfying.
Which do you like better: licking pussy or sucking cock?
That's an impossible question! Whoever I'm with at the time, a guy or a girl, I just want to make them feel good.
Do you like getting your pussy licked?
It's an amazing feeling, but I prefer fucking. I like to be penetrated.
What's your favorite position?
Doggy-style, because it goes so deep. Plus you get a good view of my legs and ass. :)
Do you still masturbate even though you're getting tons of sex?

AGE: 20
HEIGHT: 5-6
WEIGHT: 105 POUNDS
MEASUREMENTS: 32A-24-34
HOMETOWN: SAN DIEGO, CALIF.

Of course! At *least* once a day.

What's your favorite method?

I fuck myself with a dildo or a vibrator—or whatever's handy, really. One time I used a banana.

Did you eat it after? LOL!

I know you're joking, but I did!

Did it taste good?

It tasted like a salty banana.

What's the wildest thing you've done since we saw you last?

Anal sex. I do it all the time, actually.

Do you like it if a guy comes in your ass?

Yes, I *love* that warm feeling in my ass. Or *on* my ass. I'm obsessed with my ass!

Would you ever, like, let a girl maybe fuck you in the ass with a dildo?

Hmm, I don't know. It depends on the girl, Lindsey. ;) ★

PANTY CONTEST WINNERS

Announcing the winners of our January 2011 Panty Giveaway Contests! We couldn't decide who wrote the hottest letter this month: M.A. from Kentucky or B.C. from New Jersey. Luckily they were competing for different panties—so they both win!

Dear BARELY LEGAL,
When I saw Lana Violet I knew her panties were mine. Her beautiful and innocent "come here and fuck me, baby" face and smile make my love machine hard as steel.

If I could I would tell her she has been a naughty little bone pony. I would command her to get on the bed on all fours. I would spank her tight ass hard with my hand and cock while tonguing and rotating the tip of my finger in her tight asshole. I would then spin her into the 69 position. I would not let her pleasure me until she comes once. I would clutch her pretty little ass, spread it to reveal her glistening, sweet Asian flower. I would lick and suck her beautiful, dark labia and engorged clit and tongue her juicy sugar walls until she shakes with ecstasy and covers my face with her sweet juices.

After she got a good taste of my rock-hard cock, I would slide my cock into her very hot va-jay-jay and slam my little fuck doll long and hard like an animal. Then on her knees looking up at me, she would suck my cock until I explode and she is swallowing every drop of cream from my love nuggets.

When I receive her sexy little panties, I will sniff them without shame. I will have to fight the urge to taste them or wrap them around my cock, to protect her scent. I will then look at her photo spread and jerk my cock while sniffing the panties, until my cock explodes.

M.A.
Kentucky

Dear BARELY LEGAL,
Why I would love to have Lily Carter's panties: The scent of sweet nectar and pussy sweat left on the crotch of pretty panties instantly causes my cock to erection. The intoxicating scent of queef reminds me of the smell of flowers in the spring.

With cute pink panties in my hand, I take a big sniff. I lean back, slowly stroking my hard shaft, pre-cum flowing, lubing my boner, as I dream of Lily sitting on my face. Sweet Lily's bald beaver on my lips, parting vaginal petals to explore her wonders inside. Tasting sweet nectar, tongue slowly sliding, licking my way to Lily's joy buzzer. Slowly, lips surrounding her clitty, pressing down greedily to suck eagerly on her love button. Slide a finger to slip between the cheeks, to finger her sphincter. Playing with Lily's balloon knot, sucking erect clit, hoping to be showered with love from Lily's squirting slit.

Many hot, wet fantasies can be conjured up while sniffing a pretty girl's panties. Especially a girl as pretty as lovely Lily.

B.C.
New Jersey

Hey, Stacy!
I have a strong feeling that 2011 will be the hottest, most cum-slinging year ever for BL. Especially with you and Lindsey at the helm over there, interviewing and selecting

only the best girls, just like Juan Valdez selecting only the finest coffee beans! *Mmm*!

I'm just recovering from this month's mind-blowing sexual assault from [my] five chosen girls from the excellent January issue! This month's front-and-center girl was Jessie Andrews, with Selena Rose and Lana Violet on one side of her and Kimberly Gates and Delila Darby on the other.

I'll yack at ya next time, baby doll! My balls are forever your personal footstool!

Your butt-Frenching, soda-fetching 69 toy,
Kevy!
Oklahoma

Wow, a letter for me! Thanks, Kevy! I would LOVE for you to be my toy—but then I wouldn't have time to be Lindsey's toy. She's bossy! ***—xx Stacy the intern***

Dear BL,
January 2011 issue—best I've seen since I started subscribing. It was gonna be my last issue, but after seeing the cute bushes and the beautiful women I decided to subscribe again. Please keep up the great bushy shots and you will always have a loyal subscriber.

The faintest bush on Jessie was great—a "hair" more would've been even better. Thank you for giving me what I needed to see again. Keep up the great work.

Patrick
Virginia

Thanks, Patrick! I hope you like hairy hottie Eva (page 68). Also, if you want to see tons of furry coochies all in one place, I hope you'll check out All Bush #6 (see right) and let me know what you think! ***—Lindsey***

Dear Lindsey,
In the January 2011 issue, Lizzie Tucker has a nice body of 130 pounds. She has nice big tits, hair around her asshole, and nice pussy with rough items sticking out so a guy can suck on them. Tanya has nice hair between her sexy legs. Kimberly Gates has nice spear-type tits and a hair-covered pussy. Jessie Andrews has a nice body of 138 pounds with a good pussy and asshole. Lindsey, I saw your naked body with your small tits hanging down. Get bigger tits, a bigger ass and hole, with lots of hair between your legs. Print the letter in your next BARELY LEGAL.

Your good, sexy reader,
John
Wisconsin

You mean, like, get implants? I don't want to do that! But now I feel sad about my boobies! Even though I know some guys like small ones. Right, guys? Guys? :(***—Lindsey***

Dear Lindsey,
I just recently started purchasing BARELY LEGAL magazine exclusively for the panty giveaways. I've noticed that of all the panty giveaways I've seen so far, none of the models are wearing thongs. Why is that? I think women who wear thongs are so freaking hot, and I would just die to have one of their worn thongs. I am an ass man, and to me there is nothing more exciting than the scent of both a sweet pussy and a pungent asshole on the same soiled thong. You just simply don't get this combination with your everyday panty.

Well, I hope to write in again soon to win my own prize. Maybe I will be lucky enough to be the very first contestant to win your first *thong* giveaway....

G.W.
Minnesota

Maybe you will, G.W. Check out pages 13 and 91 for our first thong giveaway contests ever! Good luck, everybody! ***—Lindsey***

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, I'm so excited. For months you've been asking BL to come up with a thong panty give-away contest and we tried and tried and tried and—we did it! Not just one but *two* butt flossers are yours for the taking this month!

So, why am *I* excited? It's not like *I* can enter the contests. (Stupid official rules!)

No, I'm excited 'cause nothing makes me come quicker than fulfilling a reader request. It's true! For instance, tons of guys ask for girls with teeny titties. Well, this month we have *five* A-cup cuties: Gigi, Aubrey Belle, Michelle, Riley, and Franziska. Which means I had one-two-three-four-FIVE automatic orgasms!

And if it's a really super impossible request? Something like, Could we please find a girl with full bush *and* puffy nips? And then we totally *find* that girl? Hello, Eva, and good-bye, Lindsey. Yes, I actually passed out!

Basically, the harder the request, the bigger my orgasm. So please, you guys—keep those hard ones coming! ;)

xxx Lindsey

GIGI RIVERA

make me a star!

Hola! Stacy the intern here. Little Latin dynamo Gigi isn't a porn star *yet*, but I'm already her number one fan!

Hey, Gigi! Did you like posing nude?
I'm having the time of my life!
When did you start making movies?
Only a few months ago, but things took off, like, right away.
I'll say! You're everywhere—even on the cover of *BARELY LEGAL #110*.
I know, I can't believe they picked me for the cover! There's so many cute girls in it—like Vanessa Cage. She's super hot, plus she's a blonde.
You're super hot, too! What do you like about making movies?
It's fun! I love sex. I look good doing it, too.
Is there anything you *don't* like about it?
Well, some people like to judge. But it's my life and my choices. I don't need to hear from haters.
They're just jealous. What do you think is your best physical feature?
My booty. It's nice and big even though the rest of me is petite.
You are *very* petite. What's it like fucking porno guys with giant peens?
Sometimes it can be scary. I mean, if I think about it too much ahead of time. But once they're inside me it's okay, 'cause I'm not thinking anymore!
Do you masturbate a lot?
Every day. I *love* my Magic Wand.
Do you like to suck cock?
I love it. I'm trying to learn how to deep-throat, but it's hard. I keep choking.
Do you spit or swallow?
I'll swallow if I know the guy. I won't if it's a stranger.
Do you have sex with a lot of strangers?
Not a *lot*, but once in a while a hot guy or girl will sweep me off my feet.
A hot girl, *hmm*? You're bi?
Of course! There are so many amazing girls that I get to shoot with—Melanie Rios, Ivy Winters, Lizz Tayler. See why I love my job?
Yes, I'm jealous! Do you like to lick pussy?

Mmm, yes. I love to taste a girl coming in my mouth.

Where do you like guys to come?

On my face. It's nasty.

Have you ever had a threesome?

Yes, with a girl and a guy. The girl was kissing me all over and the guy was on top of me pounding, and they were both telling me how beautiful I looked. It was the perfect experience.

What's the wildest thing you've ever done?

I was in an all-girl orgy. There were titties and coochies *everywhere*.

What are your future plans?

To keep making cocks hard and pussies wet! ★

RYANN

nature's candy

Hello! It's Stacy the intern. I hate bugs and peeing outside, but college freshman Ryann makes camping look actually hot!

Hey, Ryann! Did you like posing nude?
I loved it. Thanks for letting me do it out here instead of in some room.
Why didn't you want to do it in a room?
I just wouldn't feel like myself. I hate being confined. I spend all of my time outdoors, hiking and camping.
Are you a Girl Scout or something?
Ha-ha! No. I was in Brownies, but I got kicked out for kissing a girl.
Wow, you started young! So, you're bi?
No. I've made out with girls just to try it, but it didn't really do that much for me. I think I'll stick to dick.
Do you like having sex outdoors?
It's the *only* way to have sex. We all started out fucking outside. It's natural!
That toy you have there isn't exactly all-natural.
Well, I'd use a twig, but they're too skinny. LOL!
Seriously, that toy is scary-looking.
Yeah, but it's perfect, the way it bends. It hits my G spot every time.
Do you masturbate a lot?
Every day. I like orgasms. Don't *you*? :)
What's the best way for you to come with a guy?
If he eats me out.
Do you like to give BJs?
I love to suck cock, and I *love* sixty-nining. It's wild when you come together.
Are you a spitter or a swallower?
I swallow—hopefully at the same time he's sucking down my girl juice.
Oh, you squirt when you come?
No, but guys tell me I get very sweet and gooey.
What's your favorite sex position?
Doggy-style on a blanket with the sun shining down on my butt. ---→

AGE: 18
HEIGHT: 5-6
WEIGHT: 118 POUNDS
MEASUREMENTS: 34B-26-34
HOMETOWN: REDFORD, MICH.

Do you like butt sex?
Sometimes. If you get me worked up enough fucking me from behind, you can slide into my ass pretty easy.

Where do you like a guy to come?
Inside my pussy or butt. Depends on where his cock is!

Who's your ideal guy?
A guy who's rugged and active and wants to spend time outdoors with me. No couch potatoes.

What's the absolute best sex you've ever had?
It was right here in this tent. We turned it into a sweat lodge!

What are your future goals?
To get a job in a state park, so I can be outside all the time. And maybe meet a hot forest ranger! ★

CHARLOTTE

I can't wait forever

"Talking about sex makes my mom *totally* uncomfortable," explains eager pixie Charlotte. "No matter what question I asked growing up, Mom gave me the same answer: 'Good girls wait.'

"I'm 18 now, and I feel like I've been waiting forever. I still have so many questions. Can you get pregnant when you do it doggy-style? Is my little pussy ready for a big cock even though I've never used a tampon? Is my butt cute or too big? Does my haircut make me look like jailbait? Would guys like me better if I grew it out? I know I sound dorky, but I have one more question.

"Are there any cute boys out there who are patient enough to teach me all the things my mother didn't tell me? I'm ready to learn." ★

a BARELY LEGAL confession by

cecilia colón

photography by steven andres

Hi, BARELY LEGAL! You guys, if someone had told me a year ago, "Cecilia, you are totally going to be a model in the best girls' mag on the planet," I would have been like, "You are smoking the biggest crack rock ever." LOL! But here I am.

My life now, compared to my life in high school, is like night and day. We were always broke when I was growing up, but my parents wanted me to have the chances they never had. They sacrificed everything to send me to private school so I could go to a good college and be a successful person.

I'm totally grateful, but I have to admit, being a poor brown girl at a rich white school was a challenge. It's not that people were racist exactly, but all the other girls were blond and preppy and carried Louis Vuitton bags and drove Porsche Cayennes and there I was riding the bus to school in my JCPenney jeans. Basically, I didn't fit in—probably why I was still a virgin at graduation!

Everything changed when I started at Northwest State. I got a scholarship (I know—nerd!) and moved into a dorm. I hit it off with my roommate, Leanne, right away. She's sweet and *sooo* cute—red hair and freckles—adorable! She's an education major and I'm studying child psychology, so we have stuff in common. Plus, we both love movies—especially movies starring Ryan Reynolds! ;)

Leanne's my BFF, but I have to say, sometimes I think she's pretty in a way that's, like, different than just a friend. I've never, ever felt funny that way about a girl, but there's something about Leanne. And now I know she feels the same way.

We were in our dorm being nerds and studying and Leanne was like, "Let's take a break. My brain is, like, broken." She hopped onto my bed. We turned on the TV so we could stop thinking for a minute. Katy Perry was on MTV.

"She's so pretty. Even if she does get on my nerves a little bit," Leanne said.

"Yeah," I agreed. "But Russell Brand gives me the willies."

"Totally! Girls are so much hotter than guys," Leanne said. "Not that I'm gay."

I was like, Does Leanne feel weird about me like I do about her? And then I was thinking, If that's true, should we do anything about it? But turns out, I didn't have to make the decision.

Without saying anything, Leanne busted a move. She put her hands on my shoulders and gave me a big ol' kiss. I was shocked for, like, two seconds, but got right into it. Her lips were *so* soft, and she tasted like flowers and vanilla.

We started Frenching and my clit was like, *Boing*! I was so turned on, my undies were wet. Leanne unbuttoned my jeans

and slid her hand between my legs. Her fingers felt amazing. She stroked my clit, super gentle, and dipped two fingers into my slit.

"Your pussy juice is running down my hand," Leanne panted. I rolled my hips. Her fingers were like magic. "I want to taste it," she said.

I lay back on the bed. She peeled off my undies and nuzzled my cooch with her nose. She slid her tongue between my lips, flicked it against my clit. I gasped. Obviously, being a total V., I had never had my pussy licked. It was the best feeling ever.

"Omigod," I moaned. Leanne licked faster, harder. She sucked my lips and clit, crammed her tongue into my hole. She stretched out her arms and squeezed my tits. I opened my legs as wide as I could, pressing my pussy into her mouth.

"I'm coming. I'm coming. I'm coming. *Yessss*!"

Leanne crawled on top of me and mashed her pussy against mine. Our wet coochies slid against each other. I felt her swollen clit. She threw back her head.

"Oh god *yeahhhhh*!"

She collapsed beside me. We were sweaty and breathless. No more studying that afternoon. We conked, snuggling like lezzie girlfriends.

The best thing (beside the fact that I now know what it's like to make it with a girl) is that it didn't mess up our friendship. We fooled around a few more times, but she didn't even get jealous when I met Darren.

Darren's in my Psych 101 class. He's a few years older—like 26—'cause he took time off after high school to backpack in South America. He's hippieish like that—LOL! But that's one of the things that attracted me to him—he's so totally unlike the rich preppies I went to high school with. Darren's studying philosophy and doesn't care about material stuff. He drives a beat-up Volvo and listens to old rock and folk music. We're different in a lot of ways, 'cause I'm a lot less, like, alternative or whatever, but he's so awesome. I have a lot to learn from him. Especially when it comes to sex. :D

Well, it's true, since I was unpopular with guys in high school and therefore, like, *waaay* behind most college girls. But Darren makes me feel sexy even though I'm inexperienced (other than with a girl—LOL!). He's like, "You're gorgeous, not just on the outside. You're open-minded and not full of yourself. You're, like, *real*."

We went on a couple of dates before anything happened. I mean, we kissed and he felt my boobs over my shirt, but nothing more than that. It was our third date when things got serious. I mean, I'll put it this way—I am no longer a virgin!

We went on a hike one Sunday. It was a perfect day, but for whatever reason there weren't a lot of people hiking that trail. We trudged up and up till we reached a crest with a beautiful view of trees and green and birds below. We sat in the shade on a soft patch on moss. Darren held my hand.

"You're the best," he said.

I blushed.

"Thanks." No guy had ever told me anything even close to that.

He kissed me on the neck, slipped his hand under my shirt and bra, stroked my nip. I shivered. It was like my whole body shuddered with something electric. My clit was stiff. We started kissing pretty hard, with tongue and all that. He pushed me onto my back. I was breathing hard because I was so excited. Nervous, too, but more just, like, plain old horny—LOL!

Darren pressed his body against me, his boner pushing between my legs. We were still clothed, but my cooch was excited. He slid his hand up my thigh and under the leg of my shorts. He nudged his hand under my panties and rubbed my wet pussy. I sighed and let my legs fall open.

"Will you suck my dick?" he said.

"Okay." I was secretly like, What if I totally suck at it? (No pun intended—LOL!) But there's no way to learn without trying.

Darren sat up and leaned against a tree. I pulled his dick out of his pants. It was so hard and big. I was going, Am I gonna be able to handle that? Turns out, not to brag, but I'm actually really good at it.

I started with my hand, stroking his shaft. My heart jumped—I was actually holding a penis! I squeezed softly. My hand drifted down and cupped his balls. I didn't really feel shy for some reason. It felt so natural to touch his dick.

I bent down. OMG, I was about to suck it! I stuck out my tongue, tasted the tip. It was yummy—yes, I am serious! Salty and just kind of, like, I don't know. He tasted like a man.

I opened wide and slid down the shaft. I made sure I was plenty slobbery and careful not to let my teeth scrape him. I was surprised at how much I could take—almost all the way down. I guess I'm a natural deep-throater—who would've imagined? I sucked harder. I totally loved it!

"Damn, baby, that's good," Darren moaned, pressing his hand against my head and pulling my hair. "Too good. I don't want to come yet. Come here."

Darren pulled me up and slid my shorts and undies down my legs. I kicked them off, pulled my shirt over my head. I wasn't even self-conscious! His cock was big and stiff and I have a tight pussy, but I wasn't scared. I knew that if it hurt, it would only be for a minute.

Darren held his cock and wiggled it outside of my hole. I rocked against it. I was eager to get it in. I took a deep breath and sunk onto the head. Slowly, I slid further down, inch by inch. You guys, it was the world's most amazing feeling. Like all this time I'd been missing something and I didn't know what it was, but now I knew—it was the feeling of a big ol' dick! LOL!

It didn't hurt really, not even at the beginning. I mean, it was a tight fit, but I was so turned on. I wiggled and bucked. Wow! Not only was I a natural at blowjobs, I was humping like a pro after 18 years as a virgin!

"Good god," Darren gasped, clutching my waist as I bounced on his dick. "Fuck, you're tight. I'm coming already *yeahhhhhhhh*!"

He yanked out his cock and splurted cum on my stomach. I loved how it felt, all hot, splattering against my skin.

"I wanted you to come," he panted. "Sorry I didn't last."

That was the last thing I cared about. I knew from now on, we'd be doing a lot of it.

And it's true. That's what we did. I guess I was making up for lost time. 'Cause for honest, all I wanted to do was have sex. Sorry, but it's true. Maybe I'm a nympho—LOL!

Regular sex is, like, super cool, but there are other things to try too. So this one night at Darren's apartment, when we were getting all passionate and stuff, he whispered in my ear, "Can I do it in your butt?"

For two seconds I freaked out, but then I was like, OMG, yes, I so totally want to know how it feels to have his cock all up in my ass!

I crouched on my hands and knees, wiggling my booty all up in his face. He massaged my tooty hole with his thumb. It felt so totally awesome.

"I want it," I panted. "Go slow."

I knew I could take it. Darren licked my tooter—does that sound gross? 'Cause it isn't. At all. It feels, like, the best. It turned me on like crazy. I felt so open.

"I can take it," I said. "Put it in."

Darren nudged the tip of his cock into my butt. It was so satisfying already, and he was only a tiny bit in! I rocked my butt. I wanted more of him.

"Keep going," I said. He nudged deeper. I gasped. It was the most incredible feeling. I never knew.

"Omigod YES," I squealed. He was all the way in.

You guys, there is something deep inside your butt that is just, like, waiting to be touched and give you the world's most amazing orgasm.

"Fuck me now," I gasped. "Please do it."

Darren thrust into my butt. He gripped my hips and bucked and moaned. I dug my fingers into the thin quilt on his bed and threw my head back.

"You're making me come in my ass," I squealed. "You're making me do it!"

I never in a million years imagined I could come like that. But I did, and so did he, spraying my ass down with a giant load of jizz.

Wow. You guys, maybe being a late bloomer is the best thing anyone could ever be. 'Cause I waited, and now all I do is have the world's best sex. Thanks, Mom and Dad!★

TEEN QUEEN OF THE MONTH

AUBREY BELLE

Hey, it's Lindsey. High school senior Aubrey Belle is totally psyched to be our new Teen Queen of the Month even though her mother and stepdad are going to kill her.

"I'm always in trouble anyway," she confesses. "I might as well get in the biggest trouble of all time!"

Describe yourself, please: I guess I'm known as a bad girl. Like, I cut class a lot, and one time I almost got expelled when they caught me in the AV room with this guy. But the vice principal let me off with just a three-day suspension. I can't *imagine* why he was so nice. ;)

Romantic status: Single. I think the boys at my school are scared of me. I need a *man*.

Best physical feature: My booty, of course. It's badonkulous.

Favorite hobbies: Fucking, sucking, licking, and coming.

Ultimate idol: Lindsay Lohan *rocks*. I wish people would leave her alone!

Biggest turn-on: Watching a guy pulling on his cock and getting it all hard.

Biggest turn-off: Being bored.

Fave method of masturbation: Rubbing my clit with my fingers.

Fave sex position: I like to be pounded super hard from behind.

Best sex talent: I'm awesome at sucking cock. It's just a fact.

Spit or swallow: I swallow it all, no matter how much comes out.

To bi or not to bi: Bi. My favorite thing is, I love older lezzie ladies. I always pretend I'm totally straight so they work extra hard to seduce me. I know, it's sneaky! But it's SO hot.

Anal, yay or nay: I haven't tried it yet, but someday. I wouldn't want this booty to go to waste!

Best way to come: Someone doing oral on me. My dream man or lady is someone who loves to lick pussy, like, all the time.

Deepest, darkest secret: One time I was in the backyard and I was passing by my mom and stepdad's bedroom window and I heard something weird, so I peeked in, and it was my stepdad beating off on their bed! But instead of leaving I just kept watching. Yes, I'm a perv!

Favorite fantasy: *Hmm.* It involves someone I really shouldn't be thinking about. All I can tell you is that we're alone in...a house on a big, soft, king-size bed and there are candles burning everywhere and he comes at me with his cock and fucks me until I'm screaming.

Future goal: I want to do something I love to do and get paid for it. Do you have any suggestions? ★

EVA

free to be furry me

photography by richard kern

Hey, it's Lindsey. Feast your eyes on college freshman Eva, 'cause this is the *only* place you'll ever see her. Sometimes it pays to be BARELY LEGAL!

Hey, Eva! Did you like posing nude?
Yeah—but only because it's you guys. I would never be in one of those magazines with all the plastic, blond, fake-titty girls. Every photo is, like, a porno cliché.
What do you mean?
Like, you know, they all make the sex face. [*Makes her mouth into an O.*] Nobody ever looked like that while they were fucking. They look like blow-up dolls.
What did you like most about posing for BL?
That I could be myself. You didn't make me, like, shave my beav, or put on a fake smile.
Of course not! What do you think is your best physical feature?
I never really thought about it.
Well, I can tell you tons of readers are going to like your bush. Your puffy nips, too.
Guys like puffy nips, really? Nobody ever told me that.
I'm guessing their mouths were full.
Ha, you're right! I have this one sex buddy who spends *hours* sucking on my tits.
Does it turn you on?
Yeah, I get really wet. Maybe puffy nips are extra sensitive.
Do you masturbate a lot?
All the time, especially in the tub. I like to feel hot water gushing on my clit.
Do you like to give BJs?
I love to suck cock. Guys are so sweaty and stinky and hairy down there.
Are you a spitter or a swallower?
Spitting is ridiculous. I always swallow.
Do you like to get your pussy licked?
Fuck yes. A tongue on my clit makes me delirious. A *skilled* tongue, I should say.
What's your favorite position?
I like to take my time with a guy and try different positions.
What's the best way for you to come from fucking?
I can come in any position, but if I'm in a hurry I get on top.
Do you like anal sex?
Yes. It feels good, and I love how excited guys get about doing it. I mean, they get *scary* hard.
Probably because a lot of girls won't do it.
Those girls are missing out.
Where do you like guys to come?
On my puffy nips!
Do you think you'll ever pose nude again?
I didn't plan to, but it might be hard to resist. I have to admit, this was really hot.★

JULIA

better laid than never

Hey, it's Lindsey. Senior Julia is ending high school with a bang—finally!

Hey, Julia! Did you like posing nude?
I loved it! This was the perfect way to end senior year and show people how I've changed.
How *have* you changed?
Well, in one year I grew five inches and got my braces off, plus my mom got me Lasik surgery for my 18th birthday. She said there was no reason for me to look like a librarian.
So you haven't always been this hot?
The opposite! Last year I was listed as a "nottie" on this Web site that some boys in my school run? And this year I'm a "hottie!"
Do you feel you're treated differently now?
Of course! Boys want to have sex with me now! I was so lonely before.
Did you masturbate a lot?
Every day. I *still* do. It feels good!
What's your favorite method?
Well, my BFF Lila gave me this crazy toy for my 18th birthday as a joke, but I really use it. It goes inside and rubs your clit at the same time.
If only guys could do that. LOL!
They could if they would use their hand! But anyway it doesn't matter 'cause sex is *always* better than masturbating, even if you don't have an orgasm.

What do you like best about sex?
It's just—exciting. You're naked with another person, and it's just the two of you in the whole world!
You sound like you're in love or something.
I'm in love with about five different guys!
What's the wildest thing you've done so far?
I let one guy do me in the behind.
Wow! Did you like it?
It felt amazing! I think I might have even come a little in my butt. If that's possible.
What *is* the best way for you to come?
If someone licks my pussy. But I haven't had that happen a lot yet. I don't think boys really like to do it.
Well, don't worry—older guys *love* to do it. You'll find out.
Really? I can't wait. I just hope older guys score me as a hottie, too!★

THE WAY

RILEY JENSEN

give her a hand

photography by mark lit for digital desire

It's me again, Stacy the intern. Wee little Riley was Teen Queen of the Month in June 2010, and now she's a budding porn starlet. I can't believe she's so down-to-earth!

Welcome back, Riley! Did you like posing for us again?
I love it. It's so casual.
Is modeling easier than making movies?
They're both easy. I'm very comfortable in front of a camera. I can even masturbate, like in your movie [*BARELY LEGAL #112*].
You mean you're alone in your scene? Isn't that kind of boring?
I hope not! I fuck myself really hard!
With a dildo?
No, with my finger.
Can you always make yourself come with just your finger?
Always. I've had a lot of practice. LOL!
Can you make a guy come with your hand?
It's so funny you ask that, 'cause I *love* giving handies. I'm always, like, grabbing guys under the table when we're out.
Do you like having sex in public?
I've never had full-on sex in public, but BJs and handies, yes, I love it. Especially in movie theaters. It's so exciting being in the dark surrounded by people and nobody knows what you're doing. Or maybe some nosy people do, I don't know!
It's easy to swallow the evidence when you suck cock in public.
Yes, and it's tasty, too!
But what do you do when you're giving a handjob?
I can always feel when the guy's about to explode. I just jam his cock in my mouth and gulp it all down.
Where do you like guys to come when you're fucking?
Anywhere. I love having hot cum all over my body.
What's the wildest thing you've done in bed lately?
Well, I never really understood foot fetishes, but then this one guy sucked on my toes and, I don't know, he must have been an expert or something, 'cause I came without even touching my pussy. It was amazing.
What's the best way for a guy to get with you?
If they can teach me something new as good as toe-sucking, they should definitely let me know!
What are your future goals?
I hope I can keep making movies—if people want to see me in them. ★
